Sales, marketing and operations leader with **15+ years** across multimedia, e-commerce and e-learning localisation. Specialist in partner relationship management, sales-cycle ownership and digital strategy — turning AI language technology into measurable revenue across six and seven-figure contracts. **Ex-Warner Bros., Ex-EA.**

EXPERIENCE

Director of Business Development · Alpha

Jan 2026 – Present · London

Translation technology — LLM agentic workflows & AI-Translate

Driving strategic growth through partnerships and AI translation solutions. Develop intent-to-buy pipeline (ZoomInfo, Pipedrive; MEDDPICC), build sales-support material for new LLM offerings, and sell studio services — voice-over, dubbing, subtitling and podcast recording. Demo the technology to prospects and represent Alpha at international conferences.

Result: £250k from an internal sale, two more deals in the pipeline, and a partnership programme in negotiation with two major businesses.

Founder & CEO · Thirty Tree Consultancy

Aug 2025 – Present · London

Globalisation & language-technology consultancy

Advise scale-up businesses on selecting and deploying the right AI language tooling — programme creation, management support, daily outreach and sales-cycle ownership (MEDDIC, HubSpot), strategic partnerships, and contract and deal structuring.

Customer Success Director · LILT AI

Jan 2025 – Aug 2025 · London

SaaS platform supplying AI language solutions

Owned daily strategy for 15+ high-profile customers (e-Commerce, Aerospace, Film & TV), acting as the conduit between clients and the programme team to drive technology adoption and optimised workflows. Mentored the ADR team and tracked growth in Salesforce.

Result: Onboarded 4 new clients in 6 months — two with programmes worth over \$1M — and moved partnerships to a SaaS-style billing cycle.

Enterprise Account Manager · Translated

Sep 2022 – Jan 2025 · London

Localisation, machine translation & LLM model building · \$5M portfolio

Managed, maintained and grew a \$5M portfolio of 6 high-profile clients. Led client meetings and QBRs, joined a task force standardising Account Management roles and processes, and provided thought leadership on the evolution of the technology with tailored client programmes.

Result: Grew one partner from \$250k to over \$1M in a year, and onboarded a new client worth \$2.5M.

Media Content Manager · Electronic Arts

Jun 2021 – Sep 2022 · Guildford

Content, adaptation & localisation — sports games

Ran the entire international campaign for EA Sports FC, Madden and NHL. Operational management of organic, paid & biddable media (AV, social, OOH, print), complete vendor selection and management, financial oversight (PO creation and reporting), and specialised content creation including trailer cut-downs and the "FUT Reveal" series.

Marketing Manager · Warner Bros. Entertainment

Aug 2019 – May 2021 · London

International distribution — trailers, dubbing & subtitling

Managed the complete lifecycle of each international trailer: ordering system, campaign alignment with territory managers, voice-actor selection for dubbed trailers, localisation of all static assets and on-screen text, the internal glossary, and full vendor management and financial tracking.
